

## Throwing Accursed, Pagan and Ungodly Items

(Note: this was done by a sister in Christ that attends our services)

This is what I do each time I'm throwing accursed, pagan and ungodly items

- 1) I say something like this for opening to protect yourself and your family:

*Heavenly Father, in Jesus' name, I cover myself, my husband, ..... (and name each of your other family members you want to protect) with the blood of Jesus.*

*In Jesus' name, please send your mighty warrior angels to help me completing this task and to protect me. Mighty warrior angels of Lord Jesus Christ, in Jesus' name, please protect me and drag out any evil spirits that come with these items. Drag them out of my house and send them back to the pit of hell.*

(Know that you are now protected and no evil can harm you)

- 2) Then if you can, get the items out of the house, then pray the following prayer in front of the items. (although some occasions I pray with them still inside my house .. depending on my situation at the time .., but best to take them out of the house first). In front of the items pray this prayer (from Pastor Clancy)

*Heavenly Father I pray right now in the name of our Lord Jesus.*

*Lord we repent for allowing and creating any accursed things and unholy items to come in into our house, and we pray right now in the name of our Lord Jesus Christ. Lord we rebuke every spirit that comes in with these items.*

*Heavenly Father, I break all powers of witchcraft. I break all satanic powers over these things right now in the name of our Lord Jesus Christ. Lord I break all curses on my family and household through those accursed things through the power of the blood of Jesus Christ. Jesus became accursed on the cross. The bible said whoever is put to the cross is accursed thing, but Jesus became accursed for us that we may have victory through Him and Him alone. So Lord I pray that we break all the power of witchcraft and satanic powers in the name of our Lord Jesus Christ right now. In the name of our Lord Jesus Christ Every aspect of these items be broken now in the mighty name of our Lord Jesus Christ.*

*Lord I thank you and I give you all the glory and the praise in Jesus name.*

- 3) Then play this youtube prayer from Pastor Clancy

[https://youtu.be/\\_9ER6uST3WY?t=9m48s](https://youtu.be/_9ER6uST3WY?t=9m48s) (if you have time, try to listen to the teaching at the start of the youtube beforehand, it teaches you what to throw etc.)

**Warning:** There may be some setback, disturbances or attacks when you try to get rid of the items, eg. anger, getting irritable, lazy, tired, distraction to entertainments, doubts, etc., even physical attacks (last time when burning unholy items, in my irrational anger

and panic, I rushed into a glass door and injured my eye resulting in swollen eye for several weeks.)

Enemy will want to try to change your mind or if they can't change your mind, they will want to delay your action .. and make you forget slowly about your plan.

### **What can you do?**

- 1) Be persistent and determined that you'll follow through your plan to throw them
- 2) Let the people in your house know about the 'warnings' above so they can cooperate. Enemy may use anyone in the house to cancel the plan in discarding the items. Follow through your plan to discard the items!

The sooner you get rid of them, the better. They'll disturb more when knowing your plan to throw them out.

When you allow/choose to keep them, they have the right in your life. Angels of God want to help, but you don't give them the full right since you are also still consciously choosing to keep the items.

- 3) If anyone in the family still resists, tell them, it's affecting everyone whether they know it or not. Enemy is actively planting evil seeds for everyone in the house.

### **This is what I'll say to myself if I'm in doubt or can't let go off the items (eg. due to cost or emotional value, etc.):**

- 1) If I feel attached to something that I know is ungodly/accursed/pagan, then something in spiritual world must be tying me to that item. The more reason for me to throw them away! The safest way is to cling only to Father, Son Jesus and Holy Spirit.
- 2) Do I value God more or that item more?
- 3) It may be expensive/costly .. but does it worth more than your safety? Does it worth more than your own soul and salvation? Does it worth more than your true God?
